(Patient's/Guardian's full name)
 above performed on myself / my child _____ at _____
(Please circle) *(Name of patient, if patient not signing form)* *(Hospital where you will be having your procedure/surgery)*

I confirm that I have received a satisfactory explanation of the reasons for, risks and likely outcomes of the procedure/operation/ treatment, and the possibility and nature of further related treatment including a return to theatre, should any complications arise.

I have had an opportunity to ask questions and understand that I may seek more information at any time and participate in decision making about my treatment.

I have been provided with sufficient information by my doctor in relation to the administration of blood components / blood products if necessary.

I give consent to the administration of blood or blood products if necessary: Yes No

I understand that should a member of the healthcare team be directly exposed to my blood or other body fluids, I agree to blood samples being taken and tested. These samples will be tested only to identify such transmissible diseases as are considered of significant risk (e.g. Hepatitis and HIV). I understand I will be informed of the results if I request them, and any need for further medical referral. The results of these tests are confidential to me, the health professional(s) and the team member involved.

I give permission to Southern Cross Hospitals or any health professional (such as my medical specialist) involved in my care in relation to this admission to Hospital, to access health information about me that is relevant to my treatment (including pre-admission and after discharge), which may be held by Southern Cross Hospitals, other health professionals or other health organisations.
